

**SOKOLOFF & CO. VALUATION RANKINGS OF PUBLIC BILLING & OSS COMPANIES**  
**Q3 2008 Numbers & Stock Prices as of December 5, 2008**

Sokoloff & Company compiles a quarterly review of selected public Billing & OSS companies (and companies that dedicate a portion of their business to Billing & OSS) and compares how each is valued by the public marketplace. Comparative values for each company are expressed as: **EVS**, which is Enterprise Value divided by Sales and **P/E**, Price to Earnings (market cap divided by earnings). **EVM** is Enterprise Value Multiple; Enterprise Value is the sum of the company's market capitalization plus any debt or preferred stock and minus cash on hand. **EVM** is the Enterprise Value divided by **EBITDA** (Earnings Before Taxes, Interest, Depreciation and Amortization). All multiples are based on trailing twelve months (TTM) numbers through the most recently reported quarter. Changed from previous list. Ace Comm (ACEC.OB) was acquired by Ariston Global. Note: The quarterly revenue percentage column is the increase (or decrease) from the same quarter in the previous year. Where fiscal year has differed from calendar year, the most recently reported information is used. Information provided strictly for informational purposes to industry senior executives. Sokoloff & Co. makes no representations as to its accuracy. Sokoloff & Co. does not advise public investors; this information should not be used for investing purposes.
